STRENGTHS

👥 Communication

I have always followed the quote - "Communication is the key"

★ Determination and perseverance

Apart from regular studies and research, I practice meditation and regular habit check to remain determined towards studies and my dreams.

⚡ Ability to organise things appropriately

ACHIEVEMENTS

💎 Accepting challenges as opportunities

I think this is how I can change myself with the time right in front of me.

🗨️ Winning Ignite Competition

Our team ByCycle won a ticket to Silicon Valley for being most voted by the audience on the Demo Day.
