VOLUNTEERING

Community Service
100 hrs of service, assigned by St.Xavier's College
2011 – 2013

My objective was to help and teach the students in the settlement area where I got to learn why education really matters.

Voluntary Teaching
Gauriganj School, Bharatpur
April 2010 - June 2010

Gave maths and other lessons to the pre-primary and primary section during the gap time before joining High School.

STRENGTHS

Communication

I have always followed the quote - "Communication is the key"

★ Determination and perseverance

Apart from regular studies and research, I practice meditation and regular habit check to remain determined towards studies and my dreams.

⚡ Ability to organise things appropriately

I have always been a little introvert and self-contained which gives me more time to spend with myself and be able to organise things well.

ACHIEVEMENTS

💎 Accepting challenges as opportunities

I think this is how I can change myself with the time right in front of me.

🗣 Defeating Language Barrier

Having never known the Portuguese language was the biggest hurdle which pushed me to be hardworking and diligent like never before. I ended up completing my Bachelor's Degree in Portuguese medium.

HOBBIES

🧘 Yoga and Meditation

🏓 Table Tennis

🔗 Coding and Experimenting New Tricks

🚲 Cycling

📖 Curiosity in Current Affairs and new Technological Advancements
